

New Kitchen & Culinary Studio Sponsorship

Artbeat Studio would like to extend thanks to **Claude Davis**, a member of **Winnipeg Realtors** for generous sponsorship of a new custom built kitchen and culinary studio. Mr. Davis is also a member of the Artbeat Studio Endowment Cabinet.

The kitchen was installed in June 2009 in partnership with **Conrad Davis** and **Riverwood Construction**. Counters were generously donated by **Ted Sherritt** of **Floform Countertops**. **Greg Michie** also provided a generous donation. The beautiful and functional counters, cabinets, and sink are regularly utilized by alumni artist John Benningen, as well as the current group of resident artists and frequent guests including Margaret Trudeau (Artbeat Honorary Board Member).
