ABOUT STUDIO CENTRAL

Studio Central Urban Arts Centre provides supportive, free creative programming for adults in downtown Winnipeg in an inclusive, safer place to build community. Our goal is to inspire personal creative passions while connecting with artists in an inclusive, empowering space. At Studio Central, participants can work on any personal art projects at large tables in an open studio and store works-in-progress in a shared art storage cabinet. There are daily facilitated art technique workshops lead by Artbeat alumni or other community members and on Thursdays the studio hosts a creative writing circle.

Engaging in the volunteer program provides participants with different opportunities to contribute and enhance their current strengths and interests. Volunteers are continually guided, and supported by the S.C. program director, additional support staff, and long-time volunteer mentors. Volunteers are an important part of our community and are encouraged to engage in activities, workshops and art making before or after their shift or on their off-work days.

VOLUNTEER EXPECTATIONS

- Adhere to and promote Studio Central's values of **"Mindfulness + Respect = Community"**. This means to **practice mindfulness** (being kind to yourself, being present in the moment, and being aware of how your actions, words may affect others), **respect others** (refrain from any form of harassment or discrimination, offer encouragement if desired, maintain confidentiality of conversations shared or overheard) and **respect the space** (clean up after yourself, do not misuse or damage books, furniture, or borrowed materials). These together are what can help **build a healthy community**.
- Complete volunteer duties according to the specific 'volunteer role description' to the best of one's ability.
- Be responsive to meeting with the S.C. program director or other support staff to determine suitability for your desired volunteer role, set schedules, and receive constructive feedback on performance as a volunteer.
- Conduct oneself in a professional manner. We value creativity and community building in S.C. and expect our volunteers to acknowledge and do the same.

WHAT TO KNOW BEFORE APPLYING

We require spending time at S.C. before applying to volunteer to get to know S.C. values, general day-to-day schedule of the studio and meet the community. This can be done by setting up a meeting and tour with the S.C. program director or other support staff and/or attending drop-in programming (self-directed open community studio or art workshops).

Studio Central is a participant of the EIA Disability "Volunteer Benefit" program. If you are currently using Income Assistance, please speak with your EIA worker about your eligibility for this benefit.
