Artist Bio

Please tell us a bit about yourself, about your artwork and the arts organizations you belong to. (approximately 50 words, longer bios may be edited to fit within program formatting)

Artwork - max. 2/artist

All entries must be original artwork, created within the last year. All pieces should be less than 20" x 20" and ready to hang. Pricing your artwork can be challenging. Follow your instincts. Consider how much time it took to make, and the cost of materials. Also, smaller pieces between \$25 and \$100 are more likely to sell.
